Golf Course Liquor Rules (As per AGLC Laws)

No outside liquor may be brought onto the property. Our Food and Beverage Manager/Head Professional, Tyler Rumpel, will be happy to assist you when it comes to liquor hole requirements. These holes may be limited at any time by the golf course. Jägare Ridge maintains discretion regarding whether you are permitted to have any types of these holes on the golf course. There is a minimum \$100 charge to cover servers for the liquor holes on the golf course.

Hole Sponsor and Set-Up

We allow outside Hole Sponsors who do not serve alcohol on the golf course, but these sponsors must be fully self-sufficient. Jägare Ridge does not supply tables and chairs for these sponsors. It is the responsibility of the Tournament Organizer or the company involved in the Hole Sponsor. Jägare Ridge maintains discretion regarding whether you are permitted to have some or any of these types of holes on the golf course. Jägare Ridge golf club will help in transporting the Hole Sponsors to and from the holes that have been allocated to them by the golf course and the Tournament Committee.

If there is any further information you require, please do not hesitate to contact me. We know there are many golf courses to choose from and we look forward to serving your needs when it comes to hosting a successful Corporate/Charity Golf Tournament.
