We hope you have enjoyed the changes to the league that were made to the League over the last few years. We know that there are many options for places to play golf in the City of Edmonton. We are proud of the products provided and are always looking for ways to improve our Leagues and make them friendlier for you the player. As the golf course and residential development evolves, we feel these changes will help in the overall organization and the check in process for league members.

This is still your league and we value your opinions. Please feel free to contact us Even if you are not planning to participate in League Play at Jagare Ridge for this season. Also contact us if you have any other inquiries.

We are looking forward to a great 2019 and we will see you at the League Registration Night on April the 10th.
