Our Food Services department can accommodate your pre and post golf celebrations. We can tailor any menu to suit your requirements. Our 2018 Tournament Menus with pricing are listed below.

Golf Course Liquor Rules (As per AGLC Laws)

No outside liquor may be brought onto the property. Our Head Professional, Tyler Rumpel, will be happy to assist you when it comes to liquor hole requirements. These holes may be limited at any time by the golf course. Jagare Ridge maintains discretion regarding whether you are permitted to have any types of these holes on the golf course.

Hole Sponsor and Set-Up

We allow outside Hole Sponsors that **do not** serve alcohol on the golf course. These along with all other sponsors must be fully self sufficient. Jagare Ridge does not supply tables and chairs or supplies for these sponsors, that is the responsibility of the Tournament Organizer or the company involved in the Hole Sponsor. Jagare Ridge maintains discretion regarding whether you are permitted to have some or any of these types of holes on the golf course. Jagare Ridge golf club will help in transporting the Hole Sponsors to and from the holes that have been allocated to them by the golf course and the Tournament Committee.

If there is any other information you may require, please do not hesitate to contact me at the following numbers. We know there are many golf courses to choose from and we look forward to serving your needs when it comes to hosting a successful Corporate/Charity Golf Tournament.
